

COMPANY INTRODUCTION

YUN CHAN HAND TOOLS

Extensive array of screwdrivers.
We welcome OEM/ODM and orders for parts.

Established in 1976, YUN CHAN is continually providing professional, customer-friendly services and superior quality products to our worldwide clients. We are the leading manufacturer of stable and industrial quality screwdriver bits, screwdrivers, L key, impact driver, nut setter, bit holder and ratchet drivers.

We have our own complete production line, and all products are 100% made in Taiwan with high-grade material of Taiwan & Germany. All of our products are produced to qualify the DIN/ISO standard and certified by the ISO9001 quality inspection system since 1991.

Furthermore, we specialized in producing pneumatic and electrical screwdriver bits, as well as other screwdriver bits for professional use. All of our products are certified by Schatz's torque testing system. We can meet your request for either ODM or OEM order.

We welcome your ideas and suggestions for further improvement to us.
