**EVEREON**

THE EXPERT IN SUPPLYING HOSE CLAMPS

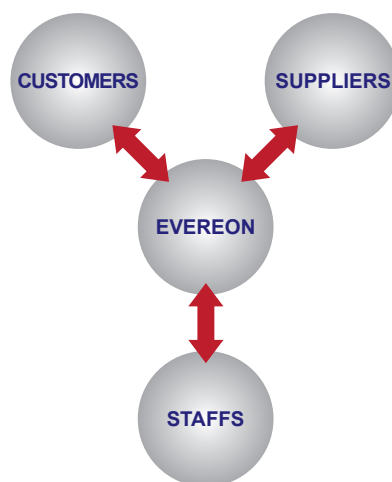

# EVEREON HOSE CLAMPS

Since 1993, EVEREON INDUSTRIES, INC. (YDS Hose Clamp) was founded; we have devoted ourselves to provide various hose clamps with easy, durable and safe connection for our customers to add value in their business relationship by creating more revenue and cost savings.

For over 20 years of experience and effort in this field, EVEREON's achievement has earned us respect and good reputation from customers. We will continue to develop quality products and service to satisfy our valued customers.

Welcome you to partner with us to create win-win situation.

## *Responsibility of YDS*

### *Development*

To continue developing in technics to satisfy customers.

### *Safety*

Safe and quality hose clamp bring you the better life.

Above symbol of working closely with **CUSTOMERS, SUPPLIERS, STAFFS and EVEREON.**

## 2014 >

Installing Barcode system in production process.

## 2013 >

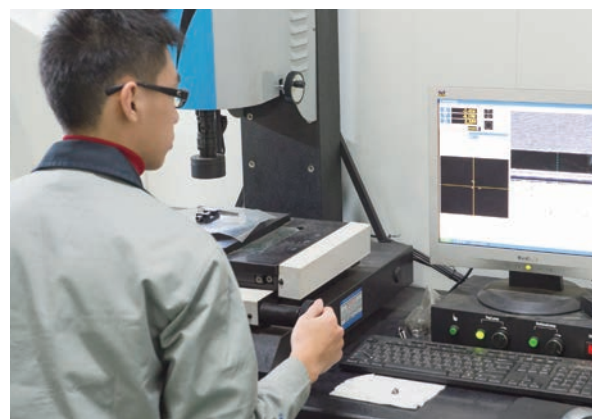

Relocating our new factory for expanding overseas business.

## 2012 >

Setting more than 10 new production lines and improving the mechanical efficiency through automation.

## 2009 >

Opening a Branch in Shanghai, China.

Innovation, Quality, Satisfaction.

## 2008 >

All products are produced under RoHS and REACH standard inspected by SGS.

## 2007 >

Implementing ERP (Enterprise Resource Planning) system.

## 2004 >

Gaining ISO 9001 certification by AFAQ.

## 1999 >

Logo  has been registered.

## 1995 >

Accomplishing the production lines of Embossed Worm Gear Hose Clamps.

## 1993 >

EVEREON INDUSTRIES, INC. was established.

With the aim of guaranteeing our customers to have the high quality hose clamps, we have ISO 9001 certification, and our integral teams of R&D, engineering, production and QC departments to test and certify our clamp performance to strengthen industrial standards.

## Embossed Worm Gear Hose Clamps - 9 mm

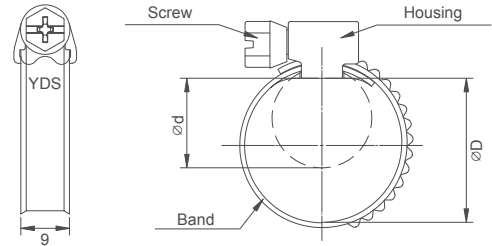

- In accordance with DIN 3017 standard
- Under RoHS & REACH standard
- The smooth concave-convex stamped band and flared edge prevent hoses from damaging and extruding during installation
- Material and clamping range are stamped on band
- Multi-range hose clamps
- Larger diameters are available on request
- Various packaging are available on request

# Embossed Worm Gear Hose Clamps

- 9 mm Band Width

Embossed Worm Gear Hose Clamps with 9 mm band width are our general hose clamps, these are suitable for various common applications.

## Mini Hose Clamps

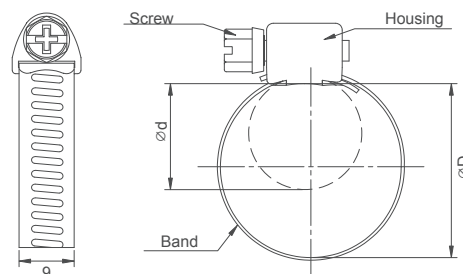

- Under RoHS & REACH Standard
- 3.0 Nm tightening torque is higher than common 8mm band width hose clamps
- The punched perforated band enables clamps to install easily and hold strong, and it is flexible for various conditions
- Multi-range hose clamps
- Material and clamping range are stamped on clamps
- Various packaging are available on request

# Mini Hose Clamps

- 3/8" (9 mm) Band Width

Mini Hose Clamps are innovated design with 9 mm band width, the tightening torque is 3.0 Nm.

## High Torque Hose Clamps

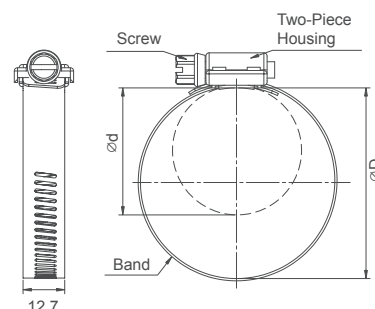

- In accordance with SAE standard J1508 Type "F"
- Under RoHS & REACH Standard
- The housing structure is extremely stronger than others.
- The punched perforated band enables clamps to install easily and hold strongly, and it is flexible for various conditions
- Multi-range hose clamps
- Material and clamping range are stamped on clamps
- Larger diameters are available on request
- Various packaging are available on request

# High Torque Hose Clamps

- 1/2" (12.7 mm) Band Width

1/2" (12.7mm) band width High Torque Hose Clamps are designed for industrial applications of heavy-duty or high pressure. The tightening torque is over 10 Nm.

## Single Ear Clamps

- Fast & easy connection
- Uniform compression

## Adjustable Ear Clamps

# Single Ear Clamps

Single Ear Clamps are suitable for fast and safe connection of pipes, and they make the pipes for uniform surface compression. The outside interlock, smooth band and burr-free edge prevent hoses from damaging during installation.

## Y449 - Single Ear Clamps

| Min. Dia (mm) | Max. Dia (mm) | Band Thickness (mm) | Band Width (mm) | Material | Part Number  |
